PGA Professional  
Tallwood Country Club

Dear Tallwood Members,

It is hard to believe that Saturday was the 35<sup>th</sup> Tallwood Men's Club Member- Guest that I have participated in. Just seems like yesterday, when my first Member-Guest was at the East Hartford Elks Club and I was greeted by a shower of dinner rolls. Yes, the Men's Club has grown as well!

35 years at Tallwood has been all good. Tallwood has been my life and now it is time to start a new chapter.

Therefore, after discussions with Mary Ellen, Ryan, Mary-Kate and Mike McDermott, I have decided to retire as your Head PGA Professional at the end of this season.

The time is right. I look forward to the future. I look back and see that it all has been good... really good.

To each one of you, thank you for your support and friendship.

Sincerely,

John Nowobilski
